SUMMARY

Growth Marketing Manager with 16+ years leading acquisition, performance and CRM in regulated, high-frequency sectors (iGaming, Telecom, Energy). I build full-funnel acquisition engines with real accountability over CAC, LTV, ROI and payback.

Hands-on across paid media (Google Ads Search & Performance Max, Meta, TikTok), influencer and creator marketing, and organic (SEO), with end-to-end tracking (click to conversion to customer value), A/B testing, CRO and data-driven decisioning (GA4, Power BI, Looker Studio). Constant interface with local and global (HQ) teams.

Selected results: +167% sales conversion · -35% CAC · 3.8x average ROAS · -25% CPA.

EXPERIENCE

BetWarrior · Growth Marketing Manager Apr 2026 – Present · São Paulo

Lead the growth agenda for the Brazil operation in a highly competitive, regulated iGaming market, balancing efficient acquisition, retention and recurring monetization.

- Own full-funnel acquisition across paid media (Google Ads Search/PMax, Meta, TikTok), affiliates and CRM, with end-to-end tracking (click to conversion to player value) and governance of CAC, LTV and ROI.
- Lead the influencer and streamer program as an acquisition channel, from creator selection and deal-making to tracking and CPA/conversion accountability.
- Manage a multi-million-dollar annual media budget with CPA and payback accountability per channel; run continuous A/B testing and incremental optimization.
- Build the decision layer in GA4, Power BI and Looker Studio and deliver weekly performance reporting to local and global (HQ) stakeholders.
- Led acquisition through the World Cup window, including competitor-conquest search and local activations, under strict efficiency targets.

Alfa Entretenimento S/A · Senior Growth Marketing Manager Sep 2025 – Jan 2026 · São Paulo

Led growth strategy for a highly competitive iGaming operation under strong pressure for acquisition efficiency, retention and recurring monetization.

- Built the full-funnel acquisition machine integrating paid media, affiliates and CRM, connecting end-to-end tracking (click to conversion to repurchase) to LTV and ROI governance, with continuous experimentation and creative optimization.
- Result: +35% betting volume while reducing CPA by 25%, with greater predictability based on cohort behavior.**

Grupo Energisa · Communication & Digital Channel Manager

Jan 2023 – Aug 2025 · São Paulo

Transformed Communications & Digital Channels into a structured growth engine for recurring products in a regulated environment (Solar Subscription and Free Energy Market).

- ▶ Implemented full-funnel architecture across media, CRM and CDP, applying Media Mix Modeling (MMM) for CAC vs LTV governance and budget rationalization, aligning marketing, sales and the board under a common revenue-predictability language.
- ▶ **Results: +167% sales conversion, -35% digital CAC, -40% sales cycle, +20% brand awareness.**

ampfy · Growth Director

Jan 2022 – Jan 2023 · São Paulo

Built the Growth practice with direct P&L accountability across B2B and B2C clients, organizing squads across media, CRM, CRO, SEO, UX and analytics.

- ▶ Implemented experimentation frameworks focused on incrementality and CAC governance, prioritizing initiatives by real financial impact rather than operational vanity metrics.
- ▶ **Results: +40% new-business revenue, +16% conversion, -12% CAC, up to 20% opex optimization.**

Claro Brasil · Marketing Manager

Apr 2018 – Feb 2021 · São Paulo

Led B2C digital-channel growth in a regulated environment (ANATEL), consolidating full-funnel governance across performance media, CRM, BI and predictive modeling.

- ▶ **Raised digital share of sales from 18% to 30%, cut CPA by 20%, sustained ~3.8x average ROAS, and grew qualified-lead generation by 25% via strategic partnerships.**

MUTANT BR · Digital Executive Business Manager

Sep 2017 – Apr 2018 · São Paulo

- ▶ Led the integrated CX, CRM, BI, Media and Performance fronts to build a new digital sales channel for Net TV, designing an Assisted Digital Sales model.
- ▶ **Raised the channel's share of total sales from 1% to 30% in one year.**

AppLess · Limitless Communication · Growth & Digital Experience Lead

May 2021 – Dec 2021 · São Paulo

- ▶ Built from scratch a conversational-commerce channel via WhatsApp for financial services, bridging Product, Legal and Growth to scale under LGPD and Central Bank compliance; pilot validation lifted conversion effectiveness.
